DONE AT CHURCHILL DOWNS

GOOD MEETING COMES TO AN END WITH A CAPITAL ATTENDANCE.

Sunbonnet Proves an Easy Victress in the Kentucky Oaks, with Diamond Second and Battle Third—Opportunity Wins Secondary Feature Race.

Louisville, Ky., May 25.—A. K. Macomber succeeded in breaking into the winning ranks here, when his Sunbonnet accounted for the forty-third Kentucky Oaks in a manner that left no room for doubt as to her superiority over the other good three-year-old fillies that started in the race. The stakes had a net value to the winner of $3,035. Sunbonnet was an outstanding favorite and her backers experienced an anxious period due to the repeated interference she suffered from. It was only after rounding into the stretch on the extreme outside of the others, that she secured a clear course and responded in resolute fashion to jockey Loftus' call. She passed the leaders in easy style and won by a comfortable margin. Diamond landed in second place and Battle, which had been the pacemaker, took third place, far in advance of Koh-i-Noor, heading the others. Ten started, of which Avis and Star Maid, the latter victress in the Ashland Oaks at Lexington, represented H. H. Hewitt.

Churchill Downs' most successful meeting terminated this afternoon under conditions that could not be improved on and in keeping with the prosperous days that had gone before.

An immense attendance viewed the sport and "get away" incidents. Finishes were close in the main and results formful. Opportunity again displayed his good class by winning the $1,000 purse race at three-quarters, which served as a secondary feature, from good opposition, that included Guy Fortune and Top o' the Wave. He had to stand a terrific drive in the stretch to succeed.

Safety First opened proceedings by a victory over the favorite Sophia Gatewood in the initial race.

Othello followed with a victory in the second. Despite previous defeats, he was installed favorite and had the race won after rounding into the stretch.

Nepe, with Loftus in the saddle, was given overwhelming support in the third and he had little difficulty in outstaying Honolulu, ridden by the inexperienced Simpson.

Grant Hugh Browne was among the visitors from the east. He came to see his Crepuscule run in the Kentucky Oaks.

Manager Winn Highly Elated Over Results.

General Manager Matt J. Winn was highly pleased with the results of the present meeting. "The attendance exceeded our expectations and with the exception of Derby day, showed a twenty-five per cent increase over last year, which was generally considered a banner season," said Mr. Winn. "The Derby crowd fell short of last year by about 600, but the increased admission caused this year's Derby day receipts to exceed those of former years. It was also probably responsible for the slight falling off in attendance. The revenues from all sources showed a healthy increase and the profits will be about on a par with last year. This is highly satisfactory, in view of the increased operating expenses this year over former years."

Jockey Borel, who came to ride Pleasant Dreams in the Kentucky Oaks, will return to New York tomorrow night. He stated that the Billings & Johnson horses, including Omar Khayyam, this year's Kentucky Derby winner, would be sold by auction at Belmont Park June 2. Pleasant Dreams will be shipped east immediately, probably when the second consignment of the Beverwyck Stable is shipped in charge of Charles Hughes and will also go under the hammer. Trainer Patterson is still in charge of the Billings & Johnson establishment, but his time expires with the sale of the horses. Omar Khayyam will make his eastern racing debut for this year in the Withers Stakes, to be run at Belmont Park.

Schuyler L. Parsons and P. A. Clark, respective owners of Koh-i-Noor and Battle, arrived this morning from New York to view their representatives' performances in the Kentucky Oaks. Mr. Parsons will return to the metropolis tomorrow. He did not enthuse greatly over the eastern racing prospects for this year, but hoped that the outlook would be more cheering, beginning with the season of racing at Belmont Park.

T. C. McDowell decided at the last minute to withdraw America from the Kentucky Oaks. "Would like to have won it again," said the major, "but the filly has not been doing as well as I would like to have her do. Up to date I have four Kentucky Oaks victories to my credit, having scored successes with Rush, King's Daughter, Ellen-a-Dale and Waterblossom and I hope to win several more."

Beverwyck Stable Shipped East.

Trainer George Ziegler took seven of the Beverwyck Stable's horses east today, including Old Koenig, which will be a starter in the Metropolitan Handicap. The remainder of the string will be shipped as soon as a car is available for their transportation.

Jockey Troxler, who came to ride Battle in the Kentucky Oaks, will return east tomorrow.

W. G. Yanke was among the newcomers. He arrived from California.

Peter Jay, starting in the second race, was claimed by G. F. Muller, represented in the race by Maxcan S., for $1,900. This was an advance of $500 over the claiming price that B. J. Brannon secured him for in his last start.

General Manager John Hachmeister of the Douglas Park track, stated this afternoon that everything was in thorough readiness for the opening at that plant tomorrow and that he expects a record crowd to witness the decision of the Inaugural Handicap and the six other races carded.

The members of the Kentucky State Racing Commission will meet tomorrow morning in the offices of General W. B. Haldeman to pass on matters pertaining to Kentucky racing.

J. Kemp Ridgley, prominent in railroad circles, was an arrival today from New Orleans. He stated that most of the business people regret the recent adverse racing decision and that there will be racing of some sort in the Crescent City next winter.

J. Loftus rode two winners during the afternoon, Nepe in the third and Sunbonnet in the Oaks.

THE VALUABLE TORONTO CUP WILL BE THE CLOSING FEATURE OF THE WOODBINE MEETING TODAY

The spring meeting of the Ontario Jockey Club will come to an end this afternoon with a splendid program of seven races, including three stake races, the big feature of which will be the Toronto Cup. Considerably increased in value this year, the Toronto Cup, with its $7,000 added, has attracted some of the best handicap horses in the country and a number of crack racers will contest its decision today. The Toronto Cup was instituted in 1890 and has been run uninterruptedly ever since. The history of this popular Canadian fixture is presented in the following table:

TWO EXCEEDINGLY SPEEDY TEXAS MARES.

Pan Zareta May Have a Worthy Successor as Queen of Sprinters in Marie Miller.

(By J. R. Jeffery).

Louisville, Ky., May 25.—It is quite within the bounds of probability that the crown of popularity so long worn by the wonderfully consistent mare Pan Zareta is about to be transferred to her sister in blood, the three-year-old filly Marie Miller. The Pan Zareta of nowadays, racegoers are reluctantly obliged to admit, does not measure up to the racing standard that gave her such a notable place in the affections of the American race-going public season in and season out up to the time when she was temporarily from the turf last year, for the first respite she had had from racing since her introduction to the public as a two-year-old. In spite of her disappointing performances since her return to the turf at New Orleans last winter, Pan Zareta still has a loyal following, on the strength of her achievements in the past, and it is probable that as long as she races it will not be forgotten that for many years she was one of the queens of the turf and quite as great an idol in her way, as many of the noted American mares, whose fame rests upon the winning of more notable events than fell to Pan Zareta's lot. But it must be sadly conceded that Pan Zareta's popularity is waning, in the natural course of events, and it seems particularly fitting and appropriate that a close relative of her's is likely to be enthroned in her stead.

Foaled at Sweetwater, Texas.

Pan Zareta and Marie Miller were both foaled on the ranch of the late John F. Newman at Sweetwater, Texas, and both raced until recently in the colors of their breeder and his son, Hart S. Newman. Burdened by increased business responsibilities following the recent death of his father, the younger Newman has reluctantly retired from the turf and the two mares forming the theme of this article have passed into the possession of other owners. Mr. Newman being anxious that they should continue to race and add to their racing records. E. T. Colton purchased Pan Zareta at Hot Springs a month or two ago and since the opening of the Churchill Downs meeting, Marie Miller has become the property of Louis F. and George Marshall, who race in the name of Marshall Bros. and whose colors have been conspicuously successful since they formed their present partnership at Tijuana last winter.

The Marshalls are Kentuckians and the senior member of the concern, who acts as trainer for the stable, is a particularly skillful man with a horse, as was shown in the days of California racing, when he scored long sequences of victories with such popular favorites as Bantam, Wee Lars, Hector and other horses that raced in the name of Hall & Marshall.

Paid $4,500 for Marie Miller.

Until the acquisition of Marie Miller, the Marshalls had nothing but selling platers of the cheaper sort in their stable. After Marie Miller's easy victory over formidable opposition at Churchill Downs Thursday, it began to dawn upon the racegoing public that she is likely to prove a worthy successor to her illustrious relative Pan Zareta. Both Pan Zareta and Marie Miller were sired by Abe Frank and it has just been divulged that Hart Newman entertained a higher opinion of Marie Miller than of any other racer ever produced on his Texas ranch, including Pan Zareta, Don Domo and all the others that carried the Newman colors with such distinction. Marie Miller cost the Marshalls $4,500 and they have already practically won her out. She has won three races for them since the opening of the Churchill Downs meeting, each time over better opposition than before and her performance of Thursday, in which she set a dazzling pace and won from matured opposition of good class to which she was making considerable concessions of weight, brought to her owners no end of congratulations upon the possession of such a promising filly. She may be nothing but a sprinter, which was Pan Zareta's forte, but that remains to be proven. Her record for this year to date is now five firsts and two seconds out of eight starts and it is quite evident, in view of developments, that she was not in racing trim when she ran unplaced in her first start of the season at New Orleans, which is really the only blot upon an otherwise fine racing record.

CURRENT NOTES OF THE TURF.

The opening price of Swan Song in race 33123 should have read 1 to 4.

Thorncliffe Stable's straight price in race 33107 should have read 175 to 100.

The Kentucky Stable's three-year-old Courtship is being pointed for the Excelsior Handicap, to be decided at Jamaica Monday.

MANY CLOSE AND INTERESTING FINISHES.

A. N. Akin Makes His First Start This Year and Wins in Fast Time—Track Gossip.

Toronto, Ont., May 25.—Edward Trotter's consistent sprinter, A. N. Akin, made his first appearance of the season at the Woodbine track this afternoon when he went to the post in the Prince of Wales Handicap, a dash of three-quarters, which was run as the sixth race. He carried top weight of 118 pounds and, with Mink in the saddle, made all the pace and won by a length from Water Lady, which just managed to beat Sands of Pleasure by a nose for second place. The pace was fast, the first half mile being run in :47, and the three-quarters in 1:13⅕.

This was the eleventh running of the Prince of Wales Handicap and its history in condensed form is here shown:

H. G. Bedwell furnished the winner of the Tally-Ho Steeplechase in March Court, which beat Stucco by a neck. It was a pretty contest from the start, the field, with the exception of Chas. F. Grainger and Musical Honours, running closely bunched. J. Smith, who is riding in particularly good form, rode his mount with splendid judgment and put up a rousing finish. He is easily the best cross-country rider up here.

Stirring contests were in order, a majority of the finishes finding the winners under hard drives. The tightest fit of the afternoon came with the running of the Falmouth Plate, in which the Irish-bred Iron Cross II., which was running for the first time in the colors of Capt. W. J. Press, just managed to nose out Bondage. The latter was probably best. He moved up with a good burst of speed when entering the homestretch and, after passing the leaders, Collins became a bit careless and Iron Cross II. passed him again and when Collins sat down and went to a drive, Bondage came again and at the end was gradually wearing Iron Cross II. down. The finish was so close that the winner was in doubt until the official placing was displayed.

Prominent Delegation Leaves for Ottawa.

A delegation left here for Ottawa last night to present their side of the case in the racing question. The party was made up of some of the strongest and most representative men in the Dominion, many of them being extensive breeders. It is presumed that they will have a strong influence with the government. Among those in the party were W. P. Fraser, G. M. Hendrie, W. M. Northey, Colin Campbell, D. A. Campbell, George W. Beardmore, M. Macfarlan, Eddie Seagram and Mr. Millar.

Ral Parr leaves for Baltimore tomorrow night after spending the week at Woodbine.

The horses that William Garth raced at the Toronto meeting for Mr. Parr will be shipped to Belmont Park tomorrow night. Steeplechase jockey W. Allen will accompany the stable east.

S. Polk, who holds the contract on the apprentice rider A. Johnson, announced that he would take the boy to Saratoga from Canada.

Jockey E. Ambrose has been engaged to ride Crimper in the Toronto Cup and will leave New York tonight to be on hand to fill his engagement tomorrow.

Russell Square, despite his six mile jaunt after unseating jockey Crump, appears none the worse for his runaway and his trainer reports that he is eating well and shows no ill effects of the runaway.

Jockey T. Rice was held responsible for the jam which occurred on the first turn in the fourth race yesterday, in which Russell Square and El Rey fell and the stewards suspended him for the remainder of the meeting.

George H. Keene reports the loss of the three-year-old filly Katenka, which died this morning as a result of shipping fever, contracted en route from Kentucky to Toronto.

William Garth has finally decided that it was to his best interests to have the division of the stable he shipped here remain on the Canadian circuit and the entire band will be sent to Montreal in charge of J. W. Healey. The latter will put in an application for a trainer's license at the meeting of the stewards of the Canadian Racing Associations, which will be held in the clubhouse at Woodbine tomorrow.

JAMAICA'S CAPITAL RACING

MORE PLEASANT WEATHER ARRIVES AND BRINGS AN INCREASED ATTENDANCE.

The Highland Selling Stakes Fall to Killdee in a Race in Which the Wickliffe Stable's Felicidad Has More Than His Share of Bad Luck.

New York, May 25.—The Wickliffe Stable had a bit of hard luck in the Highland Selling Stakes, the feature of today's program at Jamaica. With a more even start Felicidad might have won, as he ran all around his opponents after starting last. The start was not one of Cassidy's best efforts, as Master McGrath, after having thrown his rider, took a flying start and Garner on Felicidad did not seem to be quite ready when the barrier was raised. Killdee was always prominent in the running and soon took the lead, after Master McGrath retired. Polly J., as usual, showed early speed, but quit on the way home. She has shown this disposition on more than one occasion. Gloomy Gus loomed up as a decided contender an eighth from home, but had no chance to get to the leader, in fact he would have been beaten for second place in a few more strides, as Felicidad closed up fast. With an even start he would have given Killdee a much closer argument.

While the weather was a trifle cool, it was far better than for the past three days, consequently the attendance was much better and the track in perfect condition for fast racing.

The activities of Sheriff Mathews have somewhat subsided and bettors have been more careful in their transactions of late, by living up to the rules and regulations of the Jamaica management, as well as obeying the law's demands.

Jockey Obert to Ride in Toronto Cup.

Jockey W. Obert leaves tonight for Toronto to ride Judge Wingfield in the Toronto Cup and will return immediately following the running.

Jockey Pickens will have his first mount of the season on the New York tracks when he throws a leg up on H. C. Hallenbeck's The Finn in the Long Beach Handicap tomorrow.

George Smith is also named as a certain starter and jockey Frank Robinson will be astride the John Sanford racer.

M. Dooley will run an express line of motor vans to the Piping Rock track for the accommodation of horsemen stabling at Belmont Park and Jamaica.

Preston Burch, acting for John Sanford, today sold the three-year-old maiden Pierre a Feu to N. Byers. This colt is by Rock Sand—Trigger, and has never faced the starter.

Only two two-year-olds from the John Sanford stable will be added to the first sale at Belmont Park. Both are by Voter and their dams English mares, one being a colt, dam Light Opera, and the other a filly, dam Oppression.

Jockey J. Williams was fined $50 and suspended for the remainder of the meeting for striking jockey T. Hunt with his whip during the running of the second race.

John Whalen, trainer for the Wickliffe Stable, is confined to his home suffering from a severe cold.

TRAINERS AND JOCKEYS AWARDED LICENSES.

On the report of the license committee the jockey license of Harry Woods was laid on the table. The license of Thomas McTaggart was suspended for an infraction of rule 213, which forbids a jockey betting on a horse only through the owner or trainer of said horse.

The following jockey agents were refused permission to make engagements for riders as their agents: M. F. Sheedy, Dan McTaggart and G. E. Phillips.

MAY NOT PROHIBIT FIRST MEETINGS.

Spring Fixtures Will Likely Not Be Interfered with by Canadian Government.

Dispatches from Ottawa and Toronto, Ont., indicating immediate drastic action on the part of the Canadian authorities on the subject of racing, which might be expected to either prohibit betting on the Canadian tracks or suppress the sport entirely during the duration of the war, came as a great surprise to the majority of patrons of the turf. Generally the hope was expressed that the situation might not be so black for racing as painted. Late Canadian advices state that while it is generally understood that the government has about decided to introduce a bill in parliament prohibiting race meetings until after the war, details of the proposal have not as yet been worked out.

The spring meetings, for which arrangements have been made, will not be interfered with, but whether or not the legislation will interfere with the fixtures arranged for the early midsummer is not known. When the Hon. J. C. Doherty was questioned in regard to the matter he said. "The whole thing is in the melting pot. Legislation may or may not be introduced. At any rate, the details, such as when the law will come into effect, are not settled yet."

It seems quite possible that, instead of introducing a bill in parliament, the goverment may deal with the matter by order-in-council, under the provisions of the war-measure act.

The expectation now is that the spring meetings at all recognized tracks will be conducted as originally scheduled. Devonshire, the Windsor track which is the only one of the big Canadian tracks to have run a full seven-day meeting this spring, has decided to take no chances on dates for its second meeting, and announced that it would race on June 9 to 16, instead of June 30 to July 7, as originally contemplated. As Devonshire is outside the pale of the Canadian Racing Associations, it asks questions of no one in arranging its date schedule. The Windsor Jockey Club and Kenilworth Park, the other Windsor tracks, are both in the Canadian Racing Associations. The Canadian Racing Associations will have a meeting in Toronto tomorrow.

WEATHER CLOUDY. TRACK FAST.

The figures under the heading "Rec." in the entries below show the best time of each horse at the distance since January 1, 1916, no matter where it finished. In cases where record was made on other than a fast or good track, abbreviations show track conditions.
All the old time records, from 1911 to 1915, inclusive, have been thrown out as too aged to be valuable as applied to 1917 racing.

Racing starts at 2:30 p. m. (Chicago time, 2:30.)

Woodbine Park Entries and Past Performances for Saturday, May 26.

WEATHER CLEAR. TRACK FAST.

The figures under the heading "Rec." in the entries below show the best time of each horse at the distance since January 1, 1916, no matter where it finished. In cases where record was made on other than a fast or good track, abbreviations show track conditions.

All the old time records, from 1911 to 1915, inclusive, have been thrown out as too aged to be valuable as applied to 1917 racing.

Racing starts at 2:30 p. m. (Chicago time, 1:30.)
×Runs well in mud. ⊕Superior mud runner. (M) maidens. *Apprentice allowance.

First Race—3-4 Mile.

Jamaica Entries and Past Performances for Saturday, May 26.

WEATHER CLEAR. TRACK FAST.

The figures under the heading "Rec." in the entries below show the best time of each horse at the distance since January 1, 1916, no matter where it finished. In cases where record was made on other than a fast or good track, abbreviations show track conditions.

All the old time records, from 1911 to 1915, inclusive, have been thrown out as too aged to be valuable as applied to 1917 racing.

GENERAL NEWS NOTES OF THE DAY.

Ten dollar certificates of participation in the Liberty Loan are to be issued at once, according to a decision made by the Federal Reserve Bank of Chicago, in charge of floating the $7,000,000,000 war loan in this district. The certificate will be put on sale at the department stores, the postoffice and banks. Five of the certificates, according to the plan, will be exchangeable for a $50 liberty loan bond, the purpose of the certificates being to permit those who cannot purchase a bond outright to buy one on the installment plan.

Liberty Bonds are nontaxable. If your city, county or state taxes are three mills on the dollar, a not unusual tax, these bonds are equivalent to ordinary corporate bonds or other investments bearing 6½ per cent. In addition, no federal tax, which war conditions may later make necessary, will affect these bonds. The only tax these bonds are subject to is the inheritance tax, which applies to all property of all kinds whatsoever.

One especial advantage of the Liberty Bonds no other bonds, national, state, municipal or corporate, have is that if the United States during the continuance of this war shall issue other bonds at a higher rate of interest, the holders of these Liberty Bonds have the right to exchange their Liberty Bonds for bonds bearing the higher rate of interest, dollar for dollar.

A London dispatch of yesterday says: The success in the campaign against submarines has resulted in a distinct improvement in our food situation, said Lloyd George in the House of Commons today. The premier said more effective blows against submarines had been dealt in the last three weeks than in any period of the war.

In a proclamation to the American people, President Wilson yesterday designated the week ending June 25 as Red Cross week, and urged that during the period generous gifts be made to assist the organization in properly caring for the armed forces of the nation, and the administration of relief.

Discouraging reports come from Petrograd saying that the agrarian disorders, wholesale confiscation of property, incendiarism and other dangerous symptoms of anarchy which followed the overthrow of the old authority in many important industrial centers and agricultural districts of central and southern Russia are becoming more serious.

The funds to prosecute the war should come from the men and women of the nation at large, not from only certain classes. The support of the Liberty Loan of 1917 must be universal.—R. W. Woolley, Director of Publicity Liberty Loan of 1917.

Liberty Loan information is being disseminated in thirty-three languages in approximately 1,600 papers, reaching over 12,000,000 people.
